1. The tender mercies that come forth are yea and everlasting. The tender mercies which come forth, behold. Behold and allow Me to behold them in you, allowing you to behold them in Me, beholding us as altogether one. My tender mercies: compassion, love explained, displayed, replete, intertwined, no separation ever again. I love you and I give you Me. I give you towers of strength, I give you towers of towers, towers of people, towers over people to be symbols of Me, so that they see Me; and they know Me, I exist, that I am alive; and that **I rotate, that I vibrate and that I singular am not, I am one.** I love you and I give you Me. I love you and I give you Me.
2. My torch burns and My flame is thrown far and wide and My who want Me can have all that they, all of Me that they want, all of Me they desire. All of Me that they won't choke on, for choke so quickly and so easily so many do, will; not wanting Me, not matured, no price paid, wee hours know nothing of, My scriptures already revealed wanting in their memory, lacking, deficient, insufficient; insane not, declared incompetent to carry My torches high.
3. And, yea, My remnant, My remnant revives, My remnant receives, My remnant comes forth in glory, My 144,000 become 144,000,000 and millions beyond. I love you, receive Me. Receive My numerics, My indices, My structure, and be not afraid. I correct, I counsel and I cancel and I love you.
4. Speak forth, eyes wide open, My lover, My friend, My who I have chosen to lead, and lead this day, and leadership remain and leadership behead-not as so many leaders do; As so many other leaders do to other leaders, beheading their ability, cutting off their hands and feet, restricting them; and yea, telling them how great they are and all the freedom they have given.
5. I love you and My leadership changes, My numerics change, My indices come forth, and My value system imprint, implanted is. I love you.
6. I come forth and I come forth in joy and laughter, scorning the scarring ones who have belittled, belittled My all-important. I love you. **My leadership comes forth; yea, in twelve year olds, in thirteen year olds, men and women, boys and girls, little and smaller, tall and growing.** I love you.
7. I give you Me and I give you those seeking Me while I may be found and the day is short, the night is long; and yea, **watch out for Me for I come when you least expect.** You who have not feared Me will flash in fire for moments not, eternity; sizzling and never dying, eating your heart out for what you could have had, for all will be seen and you will know, and you will know the times I came and I called and all I would have given you.

8. And I come to all and to all it is not a good night, for many press in and receive Me, and **My remnant from rags to riches goes, price paid, maturity sought, My blood received, death come through, steward of only Me; being Me, speaking Me, arising My liftable, My learnable, My who want Me. I love you and I give you Me.**

9. I give you animals and pods and plants, I give you agriculture, horticulture, I give you scientific methodologies of heaven, the Third Heaven, Me'd; Me coming through your processes now. No lack in My body in delivery systems of only Me.

10. I come and I carve, I carve out the restraints, and I cut off the rules and I scalpel take and remove the burdens; yea, My hand touches your eyes, salve from My heart, from My heart, from My heart beating forth into the neurons your eyes use, synapse of only Me.

11. I come and I call and I conquer, and playing I am not. And those who laugh and scorn My words and laugh at how I am doing what I am doing and how I am speaking through My prophets; yea, My prophet, My profitable not, My prophet of today, now. See Me, see Me, I am I Am, and I am speaking and I restrict not. And I death bring to the mighty who stand in My way, thinking they are so strong when they are so wrong and so blind and could have seen so much through My eyes, with My eyes, being My eyes, My hands, My feet, My healing agents and re-agents which mix together, catalyst of only Me; every vocation revised, re-manufacturing of only Me, molecularizing the non-emotional, those who dead are and hurt from the wounds received. I love you.

12. I give you trees of righteousness, trees of color, trees that have stood the test of time, trials, the heat of battle and wavered not; but stand, stand, stand in Me; stand in My word, stand on My promises, knowing My voice, knowing that I speak. And, yea, knowing there is so much more for them, for them and all those around them and their seed and the glory to be made manifest in their eyes, their hands, the ministries that I have called them to, the ministries, ministries, ministries in every vocation: kings and priests: one, not two; of all. See Me.

13. **My Universities I raise, I connect, I finance and I fund with only Me; begging resigned, begging no official, begging not allowed: My responsibility, My people, My table**, My monocular organization infrastructures innerwoven, intrawoven externally displaying Me.

14. I come and I call and I conquer and I have been so clear day after day, message after message, day after day, morning after night, night after morning; yea, even whenever My Spirit speaks. I love you. My Father, My Son, Me, you: one. Triune, triad, trinity be, My only one. I love you.

15. The plains, so many on the plains, so many on the plains, so many in the planes, the Plains of Shinar, The Valley of Decision; My religious who want Me and want Me not, My who want no part of Me yet want Me desperately, vehemently denying that I exist; yea, all the while knowing I am wrong, knowing that they are wrong. I love you.

16. I give you Me; and lights of only Me; headlights not, but heart lights; radar that surpass any scopes known; coming in to you, My own, all. I love you. I give you Me. See Me you do. More and more so you will.
17. My leadership comes, trees of righteousness on the Plains of Shinar not but sailing with Me. I love you. Tender mercies, tender mercies; time, trial-tested coming forth; pure gold, transfiguration of only Me. Good day. Goodnight, My love. I love you. Amen.
